

Expert witness skills masterclass: How to avoid pitfalls

Thursday 1 to Friday 2 March 2018

Thursday 7 to Friday 8 June 2018

This two day expert witness masterclass will develop your understanding of courtroom procedure and case-law and will help you become a confident expert witness in court.

Day one will help you to gain a clearer understanding of the role of an expert witness, the Civil Procedure Rules, Practice Directions pertaining to expert witnesses, issues of liability, and the selection and role of a single joint expert.

Day two will concentrate on court room procedure and how to prepare for court. You will also focus on common pitfalls when giving evidence using scenarios designed to prepare you for the realities of court-room cross-examination.
